When we live in harmony, when we stand as one  
It makes us stronger yeah, stronger  
When we see our differences as a work of art  
The world is brighter yeah, brighter

What we all really need right now  
Is an upbeat song to sing  
An upbeat song to sing

It feels good when we're together  
It feels good when we belong  
It feels right when we're united  
No divides, livin' life as one yeah

Tell me why we're fighting, can't we just get along  
'Cause we are brothers and sisters  
Nothing strong as family, nothing breaks us apart  
'Cause life is better together

What we all really need right now  
Is an upbeat song to sing  
An upbeat song to sing

It feels good when we're together  
It feels good when we belong  
It feels right when we're united  
No divides, livin' life as one

It feels good...

### **Prayer**

Let's pray the prayer Jesus taught His disciples using this video clip, and remember that we are united with brothers and sisters all over the world.

### **Psalm 46:1,2**

God is our refuge and strength,  
an ever-present help in trouble.  
Therefore we will not fear, though  
the earth give way  
and the mountains fall into the  
heart of the sea.

### **Psalm 46:6,7**

Nations are in uproar, kingdoms fall:  
He lifts His voice, the earth melts.  
The LORD Almighty is with us;  
the God of Jacob is our fortress.

God is with us in the joys and in the storms of life.

### **Prayers for the World**

Let's use this next video to help us pray for those who have left their own country to follow and serve Jesus in a different part of the world.

The hymn 'It is well' is sung by missionaries in 25 different languages (with English subtitles!)

Security forces in several African states and the governments of some countries in Asia and the Middle East have allegedly abused their powers during the Covid 19 crisis. Please pray for citizens of nations where repression, humiliation and punishment are being used during the pandemic.
